

SOUND SYSTEM

Our in-house sound system is flexible and designed to work with the technical needs of each production.

IN-HOUSE SPEAKERS

2 × JBL PRX 15 A 3385 Speakers

MIXING CONSOLE

A hybrid analogue sound system with a Soundcraft Si Impact console can be hired in for more specialised productions.

MONITORS

Additional stage monitors may be hired at an additional cost.

Should require any additional sound equipment, please contact the Theatre Manager:
